## VACANCY NOTICE

### **EXECUTIVE ASSISTANT TO THE PRINCIPAL**

**Deadline for submission of applications is 28<sup>th</sup> June, 2022 at 11:59 PM AST**

The Caribbean Institute for Meteorology and Hydrology (CIMH) is seeking to recruit an 'Executive Assistant' who will be assigned to the Administration Section. The successful candidate will be based at CIMH's office located in Husbands, St. James, Barbados.

#### **ABOUT THE CIMH**

The CIMH is an Institution of the Caribbean Community (CARICOM) and the technical Organ of the Caribbean Meteorological Organization (CMO) that is managed by a Board of Governors comprised of representatives from the sixteen (16) CMO Member States<sup>1</sup>.

The mandate of the CIMH is "to assist in improving and developing the Meteorological and Hydrological Services as well as providing the awareness of the benefits of Meteorology and Hydrology for the economic well-being of the Member States of the CMO. This is achieved through training, research, investigations, and the provision of related specialized services and advice".

In achieving its mandate, the CIMH in 1973 established an affiliation with the University of the West Indies in which its primary responsibility is the delivery of the B.Sc. programme in Meteorology in the Faculty of Pure and Applied Sciences. The CIMH is recognized regionally and globally as:

- The World Meteorological Organization (WMO) Regional Training Centre for the Caribbean;
- A centre for applied research and development in meteorology, hydrology/water resources, climatology and related areas including disaster risk reduction and impacts forecasting;
- The WMO Regional Instrument Centre for the Caribbean;
- A WMO Centre of Excellence for Training in Satellite Meteorology;

---

<sup>1</sup> These include: Anguilla, Antigua and Barbuda, Barbados, Belize, British Virgin Islands, Cayman Islands, Dominica, Grenada, Guyana, Jamaica, Montserrat, St. Kitts and Nevis, Saint Lucia, St. Vincent and the Grenadines, Trinidad and Tobago, and the Turks and Caicos Islands.

- The WMO Regional Climate Centre (RCC) for the Caribbean;
- The Caribbean Centre for Climate and Environmental Simulations;
- The Climate Data Archive for CMO Member States;
- The Pan American Centre for the WMO Sand and Dust Storm Warning Advisory and Assessment System (SDS-WAS);
- Caribbean Regional Marine Forecast Support Centre;
- An advisor to the governments of CMO Member States.
